1. Question
Are the FUSD issued hotspots enough to support 3 devices? Someone shared with me that the internet is limited and there wasn’t enough capacity for 3 devices.

Answer
Up to 10 devices can connect to a hotspot; however, based upon the most recent research, it is not recommended to connect more than four devices at a time.

2. Question
Can I obtain a copy of tonight’s PowerPoint?

Answer
You can access the PPT on the EL website. https://els.fresnounified.org/

3. Question
My daughter’s tablet isn’t working and I have already contacted FLATS and left a message. I have not been contacted yet. What do I do in this situation?

Answer
FLATS is currently receiving about 6,000 calls a day. It is recommended that parents, rather than calling, email FLATS at flats@fresnounified.org. FLATS is returning calls as soon as possible.

4. Question
I want to ask a question in the chat or when do I ask a question?

Answer
You can access this PowerPoint on the districts English Language website, and you can call the English Learner Services Department at 457-3928 for any questions.

5. Question
I want to ask why aren’t breakfasts and lunches provided together?

Answer
We provide a variety of breakfast options. Breakfast and lunch are served together from 7-9 AM.

6. Question
Good evening, my name is Rquel Yerena. My question is how will kindergarten exams be administered?
Answer
Exams will be administered via iReady.

7. Question
Is $365 dollars per child going to be given for students that receive free and/or reduced lunches? This is because the children don’t often like the lunch meals so this allows for parents to buy items that they can cook for their kids that they like. I’m not sure if this is part of the CARES Act or a check that the districts gives to parents?

Answer
This was a 1 time Pandemic EBT provided by the State. We have not heard that they will be offering it again at this time.

8. Question
I didn’t receive anything notification about this meeting nor did I know about this meeting. No one told me. I saw this meeting in social media.

Answer
You can call the English Learner Services Department at 457-3928.

9. Question
I didn’t receive copies of this meeting. I only received the sheets for voting.

Answer
Information for the meeting and ballots were sent home the previous week to the home address on file.

10. Question
Is the chat just for DELAC users or the general public?

Answer
It is for the general public, but only DELAC Reps can vote.

11. Question
How can other families see and hear this meeting?

Answer
Information for the meeting and ballots were sent home the previous week to the home address on file. If you are not receiving the information, please contact the English Services Department at 457-3928.

12. Question
Why aren’t all schools giving out the same lunch?
Answer
We have provided a variety of breakfast options, and breakfast/lunch are served together from 7:00 – 9:00 AM for convenience of our families. During the first week, FUSD was learning how many meals would be requested at each school site and due to shortages, adjustments were made. Next week, meals should match the menu, but menus are subject to change.

13. Question
How are EL tests going to be administered and how are you going to prepare students?

Answer
There is a plan for exams to be administered by site and by an EL Services employees by appointment. The exam will be an hour long.

14. Question
There have been a lot of changes made by the district and the district is only offering one phone number for technology issues. My request is that it either gets expanded and/or add more lines.

Answer
The Family Learning and Technology Support (FLATS) Center is currently receiving over 8,000 phone calls per day and will be expanding staffing to help minimize the wait time.

15. Question
My neighborhood school provides the same breakfast lunch everyday?

Answer
We have provided a variety of breakfast options, and breakfast/lunch are served together from 7:00 – 9:00 AM for convenience of our families. During the first week, FUSD was learning how many meals would be requested at each school site and due to shortages, adjustments were made. Next week, meals should match the menu, but menus are subject to change.

16. Question
How will tutoring services be administered?

Answer
Tutoring will first be given to long term EL students. Tutoring services will also be given to students at school sites. Please contact your school site for more information and to request tutoring services.

17. Question
If the ballots for the officers have already been sent out?
Answer
They were mailed with the packet of information.
